

Make Shapes: Bk. 2: Mathematical Models (Paperback)

By Gerald Jenkins, Anne Wild

Tarquin Publications, United Kingdom, 1985. Paperback. Condition: New. None. Language: English. Brand new Book. Children love making these beautiful shapes which are such fun to decorate. Each model is printed on crisp white paper ready to cut out and glue together. There are at least 12 hours of enjoyment in each book and the finished models make a fine collection. There are plenty of suggestions and ideas for colouring and decoration. A fantastic way to extend 3D geometry for children - at home or in class. Makes an excellent gift or prize! The sister book, Make Shapes 1 contains slightly less complex models.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
